Leadership Training Conference 2011

What can I say - if I had not attended LTC last summer I would not have been ready to take over the lead role as President! The LTC taught me how to be more of a leader and convince others to get involved with their local school PTA. The LTC also taught me how to stand up for the rights of all. Since I attended the LTC, it has given me the inspiration to do more and learn so that I can enlighten others. I am looking forward to the conference this summer.

-James D. Powell,
Landstown Middle, VA Beach

The 2010 LTC was my first and as an incoming PTA president, it was, by far, the most valuable training. I learned about how to run a meeting, important rules for the treasurer and other positions - and most importantly, how to be a good leader. I filled a notebook with ideas and things NOT to do. It was invaluable for my confidence as I geared up for my term.

-Sarah Gross, Fox Elementary,
Richmond
