

Child/Youth Nomination Criteria

May the Month for Children Awards recognize the important contributions of children and youth to the communities in which they live.

Two children and youth will be chosen from each of the eight school regions in the Commonwealth. One child from Kindergarten through sixth grade and one youth from seventh through twelfth grade will be selected from each region. A maximum of sixteen (16) children and youth will be honored. The Task Force reserves the right to select two children and youth from the same age group from the same region if no qualified nominations are received from the other age group.

We invite neighbors, peers, teachers, and other community residents to nominate outstanding children/youth who provide a contribution that makes their community a better place. Nominations must come from **non-family** members. ***This must have taken place between January 1, 2006, and December 31, 2006.***

Please submit your nomination according to the following criteria:

1. The child/youth nominated must be a student in Kindergarten through grade 12 and a resident of Virginia.
2. **The nomination package must include:**
 - a) A short biographical sketch of the nominee (one paragraph only);
 - b) A description (no more than two pages) of the contribution the student performed, where and when it took place, and who benefited from the contribution; and
